PRODUCT DETAILS

The 19" 12U wall-mount "Handy" modular rack cabinet series gives you ease of use through its easy installation, decorative and stylish design, the aesthetic appearance provided by the 4mm tempered glass on the front, top and bottom cable entries, and a top

panel suitable for fan mounting. Floor-standing rack cabinets have a load capacity of 400kg, together with 4 adjustable equipment rails, an all-steel construction and an ergonomic design. It is compatible with shelf systems with a depth of 300-500mm. Optionally, a 2-fan or 4-fan unit can be connected to the top panel.

It is manufactured by **Vatpan**, the leading brand of **Rack Cabinet** solutions.

Products that can typically be placed inside include network access devices, wireless devices (Wireless Modem/Router), camera recording devices (DVR), telephone connection boxes (junction box or splitter), Hub/Switch, external disks, UPS power supplies, etc.

Content and Maintenance

The product will be shipped disassembled together with an installation guide.
