WHERE IT'S USED

Expanding Existing Cabinet Infrastructure

Easily added to existing cabinets as cable management, cooling or power needs grow.

Easier Maintenance & Service

Practical solutions that speed up technicians' day-to-day operations and maintenance work.

DESCRIPTION

PRODUCT DETAILS

White-colored console shelf compatible with rack cabinets with a depth of 1000-500mm — it has the same dimensions and load capacity as the black CS140, and is preferred for projects requiring visual consistency with light-colored cabinet/office interior installations. Products that may be placed on it include network access devices, wireless devices (Wireless Modem/Router), video recording devices (DVR), telephone junction boxes (junction box/splitter), Hub/Switch, external disk, UPS power supply, monitor, server case, audio systems, laptop, etc.

Vatpan is the leading brand in rack cabinet and industrial enclosure solutions.
