WHERE IT'S USED

Expanding Existing Cabinet Infrastructure

Easily added to existing cabinets as cable management, cooling or power needs grow.

Easier Maintenance & Service

Practical solutions that speed up technicians' day-to-day operations and maintenance work.

DESCRIPTION

PRODUCT DETAILS

The 19" 2U 24-Port XLR Patch Panel is used for termination in professional audio, video, and stage lighting equipment. It is the ideal accessory to help you keep your XLR-output cables under control. It occupies only one rack space (2U/2RU) and includes 24 XLR mounting holes, each providing a "channel" for your XLR cables. It is manufactured with a metal chassis suitable for 19" cabinets. XLR connectors are not included in the price. It is shipped empty.

Dimensions

- Width: 19" 48.26cm
- Height: 8.9cm
- Depth: 2cm
- Sheet thickness: 1.2 mm

Content and Maintenance

Manufactured from 1311 grade galvanized material.

RAL 9005 color is used.

Dusting with a dry cloth is recommended.

It will be shipped in the box together with the set of 4 screws required for installation.
