PRODUCT DETAILS

The 19" 20U 19" 600mm Wall-Mount **Rack Cabinet Handy Eco** Series holds a leading position among 19" rack cabinet and wall-mount rack cabinet solutions, standing out for its price-performance balance and offering an excellent choice for your technology infrastructure. This series has a 50 kg load capacity and is designed to meet all your requirements. Its steel construction, reinforced with 0.80 mm high-quality sheet metal and multi-layer bending technology, delivers an ideal balance of durability and performance.

Wall-mount rack cabinets come with 2 adjustable device rails at the front and a fixed one at the rear, and their ergonomic design makes them easy to use. Compatible with shelf systems of 400-300mm depth, these cabinets offer flexible use, while an optional 2-fan module can be added to the top panel — or an intermediate fan module to the rails — for additional cooling options for your equipment. The option to fit casters and wheels also provides the advantage of mobility and easy repositioning.

The Eco Series' superior security features are provided by side panels with a concealed pin hinge system, offering both enhanced security and easy access. Even for your wall-mount rack cabinet needs, this lets you access your equipment smoothly and securely, carrying out management and maintenance tasks without interrupting your workflow.

Fully compatible with rack cabinet accessories, the Eco Series stands out for its cost-effectiveness and high efficiency, its 25% lighter structure letting you save on shipping costs. Offering unique advantages for 20U rack cabinets and 20U rack cabinet prices, the Eco Series delivers the economical solution you are looking for in rack cabinet pricing. Preferred across a wide geography, particularly in Istanbul, this series is the ideal choice for those seeking an optimum cost-performance balance.

In short, with the Eco Series you get a secure, durable, and high-capacity solution for your technology infrastructure at competitive prices. Setting a new standard among rack cabinet solutions, the Eco Series stands out for its cost-effectiveness, ergonomic design, and expandable structure.

Manufactured by **Vatpan**, the leading brand in **Rack Cabinet** solutions.
