WHERE IT'S USED

Expanding Existing Cabinet Infrastructure

Easily added to existing cabinets as cable management, cooling or power needs grow.

Easier Maintenance & Service

Practical solutions that speed up technicians' day-to-day operations and maintenance work.

DESCRIPTION

PRODUCT DETAILS

2U blanking panels are recommended as cabinet accessories, made of metal material, compatible with all 19" cabinets; they cover the U spaces left empty where no device is fitted or that are left as spare, providing a tidy and neat appearance while also acting as an airflow stopper and directing the flow of hot and cold air.

Rack Cabinet solutions are manufactured by **Vatpan**, the leading brand.

Contents and Maintenance

Manufactured from 1311-grade galvanized material.

Fully steel construction

Ergonomic design

The supporting frame is a 1,5mm thick steel construction

Feet that can be fixed to the uprights

Ease of operation, convenient installation

Standard colors are RAL 9005, 7035 and 7032.
