PRODUCT DETAILS

The 19" 45U Free-Standing Efficient modular rack cabinet series offers ease of use with its easy installation, elegant appearance featuring 4mm tempered glass on the front, cable entries at the bottom and top, and a top panel suitable for fan mounting. Free-standing rack cabinets have a 400kg load capacity, come with 4 adjustable equipment rails, and feature a fully steel construction with an ergonomic design. They are compatible with shelf systems with a depth of 600-300mm. Optionally, 2 or 4 fans can be mounted on the top panel.

The leading brand in **Rack Cabinet** solutions, **Vatpan**, manufactured this product.

Products that may be positioned inside include network access devices, wireless devices (Wireless Modem/ Router), camera recording devices (DVR), telephone junction boxes (junction box or splitter), Hub/Switch, external disk, UPS power supply. Server chassis, computer, etc.
