WHERE IT'S USED

Expanding Existing Cabinet Infrastructure

Easily added to existing cabinets as cable management, cooling or power needs grow.

Easier Maintenance & Service

Practical solutions that speed up technicians' day-to-day operations and maintenance work.

DESCRIPTION

PRODUCT DETAIL

4-piece upright fixed pingo foot set, consisting of 4 fixed (non-swivel, non-castor) feet with metal bases that provide the rack cabinet with a stable, vibration-free contact with the floor. Unlike the castor model, it is preferred for cabinets that are not intended to be moved and will be permanently positioned — fixed mounting provides higher load stability and vibration resistance compared to castor mounting.

Vatpan is the leading brand in rack cabinet and industrial enclosure solutions.

MEASUREMENTS

|                     |                       |
|---------------------|-----------------------|
| Number of feet      | 4 pcs                 |
| Load capacity (set) | 560 kg                |
| Foot height         | Adjustable pingo type |

MATERIALS & CARE

- Metal-based, fixed (non-swivel) foot structure
- Set with 560 kg total load capacity
- Adjustable pingo type that compensates for floor irregularities
- 1 set consists of 4 feet.
- Mounting screws are included in the set.
