WHERE IT'S USED

Expanding Existing Cabinet Infrastructure

Easily added to existing cabinets as cable management, cooling or power needs grow.

Easier Maintenance & Service

Practical solutions that speed up technicians' day-to-day operations and maintenance work.

DESCRIPTION

PRODUCT DETAILS

The 4-piece rack mounting kit is a standard set of screws and cage nuts used to secure 19" rack equipment (into the cabinet's mounting holes). It provides, in a single package, all the fastening hardware needed when mounting a new device into a rack cabinet or removing an existing one.

Vatpan is the leading brand in rack cabinet and industrial enclosure solutions.

MATERIALS & CARE

• 4 x M6x15 Phillips head screws
• 4 x M6 cage nuts

- Fits standard 19" rack mounting holes

This product is designed and manufactured by VATPAN under engineering and production processes that reference European standards. Visit vatpan.com for current technical documentation and certificates.
