-----------	-------------

WHERE IT'S USED

Heavy Industrial Facilities

A rugged build suited to production environments with high vibration, dust and temperature swings.

Production-Line Control Units

Securely houses field control equipment right alongside the production line.

Energy & Process Automation

Keeps the core components of industrial automation systems together.

DESCRIPTION

PRODUCT DETAILS

Create a functional, stylish look in any room that needs a little extra storage with the Free-Standing Multi-Purpose Cabinet in RAL 7035.

Set up a central multi-purpose cabinet for silverware, ornaments, bathroom accessories, or towels. You can add stylish storage space with five adjustable interior shelves for plates, packaged food, or books, and reduce visible clutter.

With quality metal hardware and multi-fold technology, your kitchen or bathroom clutter can be stored away in one attractive cabinet — whether used as a pantry or a general-purpose storage cabinet. It is manufactured by VATPAN, the leading brand in cabinet solutions.

Manufactured and shipped to order within 5-7 business days.

Barcode: VATCAD7035
