

Technical Specification Sheet

Surface-Mount Monoblock Distribution Panel

SKU: CB5A7D74-B4EC-4C1F-AAC1-887B8797882C · Brand: VATPAN · Industrial Electrical Enclosures

WHERE IT'S USED

Factory Production Lines

Protects PLCs, contactors and motor drives from harsh industrial conditions.

Industrial Park Distribution Rooms

Enables safe, standards-compliant configuration of main and sub electrical distribution.

Energy Monitoring & Control Systems

Keeps meters, relays and monitoring equipment organized and accessible in one place.

DESCRIPTION

PRODUCT DETAILS

Surface-mounted monoblock distribution enclosure — a variant of the same monoblock-welded body family as the DTSSERIES, tracked under a separate stock code on the ordering side. The main load-bearing top and bottom chassis has a monoblock welded structure that increases the cabinet's rigidity and strength; delivered as an empty enclosure.

Vatpan is the leading brand in rack cabinet and industrial enclosure solutions.

MEASUREMENTS

Protection class	IP65
Body	1.2mm cold-rolled (DKP) steel
Covers	1.5mm cold-rolled (DKP) steel

MATERIALS & CARE

- Monoblock body structure
- Body 1.2mm and covers 1.5 mm cold-rolled (DKP) steel
- Standard color RAL 7035 or optional color
- All load-bearing connection parts are 1.5mm cold-rolled (DKP) steel
- Please request a quotation for assembled and custom enclosures.
- IP 65 protection class
