

Technical Specification Sheet

Surface-Mount Monoblock Distribution Panel

SKU: DTSSERIES · Brand: VATPAN · Industrial Electrical Enclosures

WHERE IT'S USED

Factory Production Lines

Protects PLCs, contactors and motor drives from harsh industrial conditions.

Industrial Park Distribution Rooms

Enables safe, standards-compliant configuration of main and sub electrical distribution.

Energy Monitoring & Control Systems

Keeps meters, relays and monitoring equipment organized and accessible in one place.

DESCRIPTION

PRODUCT DETAILS

The surface-mounted monobloc distribution board has a monobloc welded structure, with its main upper and lower support chassis designed to increase the strength and rigidity of the enclosure. It is delivered as a fuse-free/empty body, allowing you to install fuses/circuit breakers/contactors of any brand and type you prefer.

Vatpan is the leading brand of rack cabinet and industrial enclosure solutions.
