

Technical Specification Sheet

VATPAN Wall-Mount DVR Box Cabinet

SKU: VAT-DVR BOX · Brand: VATPAN · Office Enclosures

SPECIFICATIONS

Door Type	Solid Steel
-----------	-------------

WHERE IT'S USED

Small Business Network Points

A neat, compact setup for offices with a small number of active devices.

Building Automation Systems

Houses the control units for lighting, HVAC and access-control systems together.

Reception & Common-Area Installations

Suited to high-traffic areas that call for a visually unobtrusive footprint.

DESCRIPTION

PRODUCT DETAILS

Wall-mounted DVR rack cabinets, which can be attached to a wall, are ideal for rack cabinet solutions used in network distribution applications. Products that may be housed inside include network access devices, wireless devices (Wireless Modem/ Router), video recording devices (DVR), telephone junction boxes (junction box or splitter), Hub/Switch, external disk, etc.

The socket group, LED monitor and DVR device are not included in the order.
