Easier Maintenance & Service

Practical solutions that speed up technicians' day-to-day operations and maintenance work.

DESCRIPTION

PRODUCT DETAILS

Manufactured by Vatpan, the leading brand of Rack Cabinet solutions. As a leading brand in cable management and fiber termination, Vatpan offers a state-of-the-art product suited to your professional needs. The Wall-Type 24 Port SC Simplex Fiber Optic Termination Box provides a reliable and efficient fiber optic termination solution.

- Metal Clip-Screw Locking: Thanks to the metal clip-screw locking system, the contents of the box are securely protected and safeguarded against unwanted access.
- Splice Cassette Connection: It offers a centrally welded, bolted splice cassette connection, allowing you to make your fiber terminations reliably.
- Fiber Optic Termination: ST, SC and LC termination options are available, allowing you to use the fiber optic connectors that suit your needs.

Vatpan's Wall-Type 24 Port SC Simplex Fiber Optic Termination Box offers a reliable and professional fiber optic solution. With its high quality, easy installation and security measures, it is an ideal choice for strengthening your fiber optic network.
