WHERE IT'S USED

Expanding Existing Cabinet Infrastructure

Easily added to existing cabinets as cable management, cooling or power needs grow.

Easier Maintenance & Service

Practical solutions that speed up technicians' day-to-day operations and maintenance work.

DESCRIPTION

PRODUCT DETAILS

The wall-type 8 port SC Duplex fiber optic termination box is delivered as an empty enclosure; depending on your needs, you can install adapters in different connector types such as SC, FC, ST, E2000, LC, MU. The metal clip-screw locking system keeps the contents of the box secure; the centrally welded, bolted splice cassette connection ensures reliable fiber terminations. With its 8-port capacity, it is suitable for small/medium-scale fiber distribution points.

Vatpan is the leading brand in rack cabinet and industrial enclosure solutions.

MEASUREMENTS

Width	254mm
Height	185mm (1U)
Depth	52mm
Sheet thickness	1.2 mm
Number of ports	8x SC-Duplex

MATERIALS & CARE
